Investment Philosophy

We believe that the investment grade fixed income market misprices default and call risk. Therefore, we strive to outperform our relevant fixed income benchmark by concentrating our investments in Corporate bonds, Agency Mortgage-backed securities, Commercial Mortgage-backed securities and Asset-backed securities. We carefully manage the risk in these sectors with a quality bias and extensive diversification.

Account Minimum: \$7 Million

Core Broad is a broad based composite comprised of investment grade securities only. This composite can include a variety of sectors including: U.S. Treasuries, investment grade Corporate debt, Agency Mortgage-backed securities, Agency debentures, Commercial Mortgage-backed securities (CMBS), Taxable Municipals and Asset-backed securities (ABS). Our Core Broad accounts are very diversified by sector, credit and individual securities. All of our holdings in this product are taxable and U.S. dollar denominated. The portfolios utilize no leverage and hold no derivative securities.
